

## WE PAY TO STAY UP TO DATE

If we've missed a publication or other medium which, by our definition, should be included in the Guide, contact us with the name and, if possible, the address and phone number. If you're the first to point it out, we'll send you ten dollars and a note of thanks when we go to press with the new edition. Also, receive an additional ten dollars if you send us a recent copy of the publication.
